SPRING BREAK

STARTS: Saturday, Feb. 25 @ 9 am* **ENDS:** Sunday, Mar. 5 @ 9 am

* Students will be removed from the building key-swipe access system at this time (unless they have been approved to stay over break) and cannot enter the building during the break period. Unauthorized entry may result in student conduct charges.

THINGS TO CONSIDER

- ◆ **All campus dining locations are CLOSED during break.**
- ◆ **Staying over break** Students who have a legitimate need to stay in the halls over the break period must submit the Request to Stay Over Break Form to the Office of Housing & Residence Life (Cantrell Hall) by Wednesday, Feb. 22 @ noon. For non-college business, there is a per-day charge. There is no charge for official-college business; signature of your coach/supervisor is required on the form. The form is available in both the Housing Office and on-line at www.uvawise.edu/reslife.
- ◆ **Planning & packing** Carefully consider what you need to take with you during the break period as you cannot return to the halls until Sunday, Mar. 5 @ 9 am. Take all valuables, homework, electronics & chargers, work uniforms, medications, special occasion attire, hunting clothing, etc. — anything you might want to use during this time away from your res hall room.
- ◆ **Reminder!** 2017-18 Housing Sign Up is ongoing utilizing the online UVa-Wise Housing Portal. Select your room and roommates for next year!
